

2010 Washington DC Fly-In “Grass Roots Trip”

June 9-11, 2010

You are invited to visit with the Indiana Congressional Delegation

Indiana Mineral Aggregates Association along with the Ohio Aggregates & Industrial Minerals Association is planning the 18th annual trip to Washington D.C.

The trip is planned for June 9, 10 and 11 to give our members an opportunity to visit one-on-one with our US Congressmen and Senators.

Part of the focus of the trip will be MSHA Enforcement and Re-authorization of the highway bill.

In addition, there may be numerous other important agenda items to discuss with them by June.

This activity is an important method of communicating our concerns to our elected officials. Since this is a very important trip, appointments are being scheduled well in advance. We need IMAA members from each district.

Spouses and children are encouraged to participate. Most representatives like to visit with family groups. There will be free time on Friday to sight-see and visit museums. No group tour is planned at this time.
