

CROSSROADS

Click to see the new short film [Crossroads](#)

What does a decades-old slogan have to do with the Indiana Aggregates industry? Everything! Indiana's road construction industry has had a long and productive relationship with our state's Aggregate producers and related industries. Mining, transportation, equipment sales, jobs, technology ... they all intersect with each other to create the roads and bridges that keep our state moving.

And who benefits? The people of our beautiful state, who travel the crossroads of Indiana every single day.
